MM Docket No. 93-228

In the Matter of

Amendment of Section 73.202(b), RM-8295
Table of Allotments,
FM Broadcast Stations.
(Tawas City, Michigan)

NOTICE OF PROPOSED RULE MAKING

Adopted: July 22, 1993; Released: August 5, 1993

Comment Date: September 27, 1993

Reply Comment Date: October 12, 1993

By the Chief, Allocations Branch:

1. Before the Commission for consideration is a petition for rule making filed by Ives Broadcasting, Inc. ("petitioner"), requesting the substitution of Channel 291A for Channel 297A at Tawas City, Michigan. Petitioner also requests modification of its license for Station WDBI-FM, Channel 297A, to specify operation on Channel 291A. Petitioner provides information in support of the proposal and states its intention to apply for the channel, if allotted to Tawas City.

2. Petitioner states that Station WDBI-FM, which is currently operating on Channel 297A as a three kilowatt station, is precluded from upgrading to six kilowatts. Channel 297A, if operated at six kilowatts, is short spaced to a Canadian Channel 297C allotment at Sault Ste. Marie, Ontario. According to petitioner, the short spacing results from the adoption of increased separation distances for Class A stations in *Second Report and Order*, MM Docket 88-375, 4 FCC Rcd 6375 (1989). In order to permit operation of Station WDBI-FM as a six kilowatt facility, petitioner seeks to eliminate the short spacing between the domestic WDBI-FM facility and the foreign allotment by substituting Channel 291A for Channel 297A at Tawas City.

3. We believe the public interest would be served by proposing the substitution of Channel 291A for Channel 297A at Tawas City, Michigan, and modification of the license for Station WDBI-FM to specify the new channel since it would permit operation of Station WDBI-FM as a six kilowatt facility. A Commission analysis indicates that Channel 291A can be allotted to Tawas City in compliance with the Commission's minimum distances separation requirements at petitioner's specified site.¹ Since Tawas City is located within 320 kilometers (200 miles) of the U.S.-Canadian border, concurrence of the Canadian government will be obtained for this allotment.

4. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

City	Present	Channel No. Proposed
Tawas City, Michigan	284C2, 297A	284C2, 291A

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein.
